

# College Prep at SMCC

Maine College and Career Access

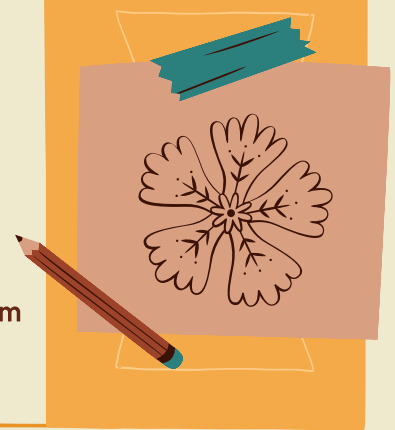

## Classes are FREE!

Give yourself the advantage and achieve academic excellence with College Success, Pre-College Math and Pre-College Reading and Writing.

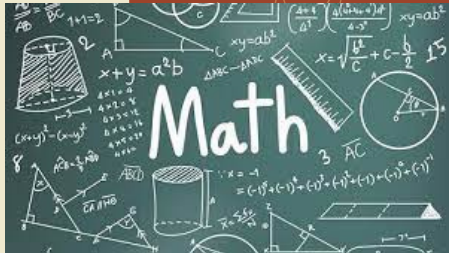

## College Success

This course focuses on the essential skills of becoming a successful college student - study skills, time management and building the writing skills necessary for academic readiness. This class fulfills the FIGS requirement and is worth one transferrable college credit at SMCC. Class dates: Monday, September 13 through November 8th from 4-7pm with live Zoom classes for the first and last class.

## College Prep Math

This online course will review mathematical concepts and skills essential for college readiness .  
Class dates: Tuesdays from 6-9pm from September 14th - November 9th

## College Prep Writing

This online class will focus on getting students reading and writing abilities to the collegiate level.  
Class dates: August 30th - December 18th. Monday through Thursday from 1:30 - 2:30pm
